We wish to buy: American Philological Association: Transactions and Proceedings, Vols. 1-27 inclusive.

THE
LIFE AND STORIES
OF THE
JAINA SAVIOR PĀRÇVANĀTHA

By

MAURICE BLOOMFIELD,

*Professor of Sanskrit and Comparative Philology in
The Johns Hopkins University*

266 Pages. Octavo. Cloth, \$3.00

Almost from the beginning of Hindu time the Brahmanical religion of India was subjected to criticism and renewed speculation on the part of Hindu thinkers of independent mind, resulting in much heterodox teaching and Sectarian activity. The religion of the Jainas is the older of the two great heretical Sects which grew up many centuries before Christ, the other being Buddhism. Unlike Buddhism the Jaina religion was not founded by a single great religious teacher, but reveres traditionally twenty-four Saviors (Arhats) which go back to an unthinkable antiquity. Only the last two of these have any kind of historical standing, and even they are known only by tradition founded upon more or less dubious chronicles. The older of these is Pārçvanātha, said to have been born in 817 B. C. He seems indeed to have been an historical personage; at any rate he figures large in Jaina consciousness, and the doctrines ascribed to him are fundamental in Jaina religion.

The present work contains the fullest extant account of the Jaina Savior Pārçvanātha's life, preceded by nine pre-births, all treated with the care of a chronicle of real life and with the sincerity of devout belief. With this life are interwoven a large number of stories illustrating Jaina morality and doctrine. The Jainas are, perhaps, the best story-tellers of India; the present volume adds to the chain of Hindu fiction books a jewel of no mean price. This work should arrest the attention of students of Comparative Literature and Folklore as well as students of the History of Religion.

Orders should be sent to

THE JOHNS HOPKINS PRESS,
BALTIMORE, MARYLAND,
